How does that sound, my lord?

Since my lord isn't saying anything, I'll take it as agreement.

Eh? Lianlian is blushing!?

Ba-Dump!

Don't be so mischevious!
Let go!

Urkl She
bit me!

Enough!!

pushes-Away

Pant-

Pant-

Going around and kissing men, how can you behave like this!!

Really, as the brat gets bigger she just causes more trouble! My lip hurts now!

Tch!

Turns out my lord doesn't even have much experience, well, I'll go wake Xue!

Halt!

Do you have any other orders, my lord?

Hurry up and let me leave already, I can't keep up this serious expression...

Are you really experienced then? If so, who taught you?

How old are you to be able to learn this!?

I'm seventeen!
Besides, why should I tell you? It's not like you're my father!

So what?

I want you to answer me right now!

Lianlan's temper is worse now compared to last time!

I taught myself this,

But, seeing that my lord's age isn't that young, and...
...tsk tsk, if don't know then isn't it **shameful**?

His male pride has been hurt!

Don't worry my lord, I won't tell anyone about this matter....

Grabs

Ah?!

Show me
your courage!

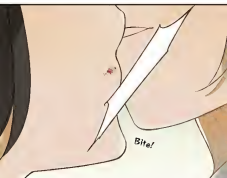

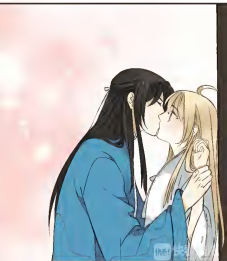

Lianlian is
so terrible,
If only I kept
my big mouth
shut...I must
have a death
wish....

Isn't it true,
that my lord
doesn't have a
wife nor a
concubine yet,

if you aren't
gay then you
must be-

He bit
me? It
must be
revenge!

Oh!

Ehe...

Proud

Proud

Urgh!!

Breaks away~

I can't lose!

My lord, I actually just wanted to tease you about your inexperience but I won't laugh at you!

See, do you see what happened to my lips because of you?

How can I see others like this~

Didn't you bite me as well?!
